

Ellens Report: - will condense Mamenova

- interested in distrib.

- DEC: Two tape

- not yet ready for exclusive distribution -

- questions re: self distribution

- exclusive - since organizing tools

- we aren't putting them in IDERA

equip;  
where

♀ in Focus - exclusive tape by tape - need to do that soon

- deadline -

- which tapes exclusive & which non-exclusive:

① ♀ loving ♀ loving children - other category - archives: dated or technically - flawed productions - not big chance distribution

~~archives~~

- provide own DUB

- one line description -

less \$ for distribution

② Mothers Day  
Tatarina  
Lesbs. vs Right  
Holy Near

want exclusive

- 10 min. Two exclusives  
- experimental for Pub  
files

③ DEC taking Two exclusives - if <sup>we</sup> want to add would carry non-exclusive if edited

④ DIA - special conditions for access  
handling charge -

A: They would own it - They would have to be able to use it under any conditions -

- left -

- not long Two, VDT, CUPW → benefit by being in DEC's library - put alot of time into union distribution - tapes would benefit by being in their hands as well - also carry

- Pin Focus - aimed more towards \$'s groups -

- question of time etc. necessary to investigate + distribute to unions -

- open to Amelia working on extending outreach -

### Self-Usage:

- requests to Amelia -

- any tape distributed by Pin Focus - people who produced have own copy - free to use it except sending it out + charging \$

- free to show tape -

- if from group - rental or (sale) - Through distribution

Sales - when directly solicit sale - should be Amelia's -  
if they solicit sale - or heard of through Pin Focus -  
they get out -

- if they are not specific agents -

- mostly at first → networking -

- mostly usage - not free use -

- \$ to Pin Focus distribution + production

### Pin Focus:

- ① (Video Im) - to get stuff out
- ② \$ for production

distrib → self supporting

① Deadline: when resolved → 3 weeks from now - August 31st

come to

1100 - Pin Focus

② Holly Near: - did well under circum. of slides / interviews -  
background  
- more exciting if could have seen her -  
- technically flowed - good edit's pace -  
- sound levels quite even -
