

9:49	m/s (stripes)	ch 2 (ok)	Experience amounted to this - related to family
10:20	zoom to c/u		* How did I find out mother sick - Not from mother
10:30	c/u		I was 7 because I went into grade 2
10:50	c/u		We were living in Brooklyn we had come to New Lots Ave - 10 mths
11:15			Very imp. for mother - separate self from family - by this time all 3 kids
11:40			Couldn't remember New Lots because clouded by impact, my life experience as story
12:24	c/u (Striped)	→	Father came into the house at 11 AM Sat AM - supposed to be at work - Soc. businessman
13:05		↓	• Unusual to arrive - ritual - work + sea food - barber - smell of bay rum
14:00		↓	* <u>Father would come in + hugs kids -</u>
14:39	Intermittent colour burst		Could tell he hadn't been to the barber shop my @ sank he moved in + bustled about the house.
14:58		↓	my mother hadn't gotten out of bed - said nothing to kids
15:09	<u>Col. Olc</u>	↓	↳ my mother sometimes had headache - interesting, collegial rel. w/ mother
15:35		↓	Not heavy dude re: parenting - full w/ good humor - goal + play oriented

15:58

(Zoom)

15:52

m/e/u

This day there was a cloud - my dad bursted in - went into B.R + shut door - sometimes to have something out to do things like as couple. I knew different - father's mood quick off cuff - didn't pick kids up - older sister edging away - honor of position of know -

16:24

m/e/u

17:02

17:32

m/d/u

my father's troubled quality got through - little sister anxious + looked very afraid - father came out + ran upstairs to use telephone - came down + took into older sister's B.R + sat us down like packages - went out + shut door - really scared

19:10

m/e/u zoom to e/e/u

- first thing I did was bounce up - ^{saw ambulance} + they took my mother on stretcher - some great tragedy ^{between} mother + father -

20:23

e/e/u

only then father burst in + said - I thought I told you to sit down kids followed - waved us back - Banged door shut - left alone

21:40

by this time all over the house - expected blood, weapon -

22:00

zoom to m/s

- all there was was the bed - w/crease - clothing pulled out + gone - neighbour came in + upset -

#

1:27

1:35

qu

As soon as they had left the house my father waved to get back but we ran out of sister's BK - old sister went to quality of terror - Blood, weapon - remember expectation

3:04

qu

physed - Bed usual - cover thrown back - Hot water bottle - ran to feel it as tho' plant - meant had been sick - confirmation

3:48

qu

neighbourly come - crying + talking quietly - told us not to be afraid - confirmed fear - she told us mother sick in the night - called from office - she said, "What a good man - he came" -

4:07

zoom to m/s

thought of course 'good man' - then needed to know what wrong w/ mother - needed to know but told not to worry.

4:54

m/s

5:09

m/s

taken up to neighbours as tho' something frightening in our house - away from safe place

5:56

she began making food and she couldn't eat I remember my sister spitting out tuna fish or Herring - ~~staying~~

6:03

for - sister forced self

AUDIO

6:45

room to cu

to chew

finally softened little sister put hands in plate washed - taken into l.r. + not dressed for special occasion - play dates uncomfortable - sat still washed didn't have to go to bathroom - sister squirmed

8:00

~~room~~ / cu

little sister to bathroom - same layout as ours - took to Bathroom - so frightened, she asked me to powder on toilet - Regression - scared me - did it gently - she peed dutifully

9:20

room to m/s

as soon as out - older sister asked, "Did she?" - after her, allowable for me.

9:50

fast room to

Some ritual to placate grownups

10:10

~~room~~ cu

Several hrs later - darkening grandmother arrived - not grand father's. Stubbast Aunt Betty - Scatterbrain - liked

11:10

~~room~~ cu

her: simple person - did what grandmother told - prepared us - felt leaving home forever - suit case, bks, play things - like when moved to set up house.

room to m/cu

12:01

m/cu

Dragged suitcases thru subway Grandma 5'1", Aunt Betty - all carrying suitcases thru subway from farthest Brooklyn to E. Manhattan - that's story

lets go!

IN FRAME 2

13:09

diff. m/s
no headroom.

SDJ/o.

13:36

m/s

Another useful insight -
comes in as describe -
change -

Realize my family = group
m/f/older sister were 1 and
younger sister + 1 on other
level - unit at arms
length
(snap)

15:05

explain why I would take
older sister didn't want to
take role of parents - akute
w/him -

15:58

m/s

- older sister suffered damage -
= preoccupation of mother.
She developed well: Bright -
math, music BUT role as
older sibling = social function -
defined in autocrate
surrogate terms, capable -
Younger sister took hard
I took as natural lots.

16:57

room

17:19

~~at~~ clu

17:31

Pressing things
when got to settle: evident that
younger sister paying greater
price - w/crowding

At home Aunt Betty, Uncle
Alex, Aunt Sarah, Grands - 3 BR
apt - BRs = cubicles - tenement
d.r + d.r = sep. room

19:00

clu

19:08

still interference

Younger sister repression
As boy in family - attention
Came in time for substitute,
close to grandfather

audio noise - pleurisy
Cable

my reaction

patterns:

20:11

room to m/c/u

granfather consult!
impressed - also I took
over caring role; money
in hosp.

20:46

"

father took room w/
neighbours up the street =
massive loss

21:05

~~room to~~ m/c/u

recall waiting fully
in room + when door

21:09

room to ~~my~~ c/u

dosed begged him to come
home to us as tho' willingly
separated

father wept - I went to
his face + pushed the
years back - didn't want to
witness this - then begged +
beseeched to come home +
as tho' willingly sep.

21:31

c/u

went to father + he cried +
he tried to push tears back -
couldn't accept helplessness
in crisis - felt we weren't
together as family

- not able to bring together as
family - pushed elem. to
rel. for lifetime

22:23

c/u

Realized as adult ≠ compassionate
died.

aut off.

Tape 4 Video

audio

0:57

m/c/u

I was 8 yrs. old - know thru process re: experience - suppressed so hard - kept from view - angry at father - didn't understand I felt resp. to care for sisters - No feed bt - grand father understood but typical of generation (gestalt) of what decent Jewish boy wld. ask of self: coop. help. care for w/d. grand father wld. articulate that by pathos on head + smile + sense of humor re: dilemma -

2:37

zoom out to four m/s (head cropped)

Another feature of grandfather - taken when benching - drunk COGNAC - not getting from father - father too quiet + sudden + concerned re: losses Status, home, indep; son.

3:31

4:40

zoom to m/c/u

Sense my father pulling on - sense of contempt - worked hard to regain -

5:14

m/c/u

3 of us after a while not suffering that much -

This was period when Aunt Sarah worked by Lippy the Melitzianah - of business - were middle class

6:20

m/c/u

every kid climbed all over it - wood Aunt Sara w/ (heard) RIO RITA -

zoom to m/s

7:01

m/s

listened to telephone calls / That was only 1 romance - another one: Aunt Betty worked by Sid the Hungarian - really wild - fire in eyes - loved starg - Aunt Betty - wasn't bright but fantastic figure - attractive

V/D.

AVP.

7:52

m/s

Did duet dances, I knew I would learn to skate - he told me - when teenager he would go for girlfriends embarrassing! Well married w/2 kids - exciting

8:42

very hot, alive, discussions
Uncle Alex ragmuffin - in collusion w/ buddy - after 14 yr. old Grandfather hard on Uncle's good Jewish young man - had bank account, like Vegas hot - clocked how behave a young adult taking power - quietly did own DESTINY basketball analogy - very interesting

10:38

My older sister would snitch on Uncle Alex - I would kick her under table - 'Oy Chomeloh - your gang to kill self in mlt place - Aunts + Uncles will hate you.

11:17

zoom to c/v

The one Uncle didn't see = Mom's - lived away: 'in business' - next eldest to mother - he came quiet authority -> "exploited by mother + struck w/ father HIT + RAN - kids scattered
Learned history - grandmother had used ^{my} Father to discipline Mom's

12:23

~~████~~ Sister + I in local school - Annie + I = same grade - school sep. ~~██████████~~ classes

12:53

m/s (?)

14:00

difficult: sister wouldn't read - seem as retarded - I had used up classroom bks - teacher excited: unusual

14:24

Slipped bonus books - older sister would hide book
OR (father helping to supt)

15:12

m/s

but lite out at 9 pm - only place to read = bathroom: very busy - if in for more than 20 mins. banging

15:40

room to yu

get up early at 5:30, dawn w/ grand father - Breakfast at 7 sneak read - learned to be fast reader - speed reading found error - wrote 'unusual ched'

17:16

grand mother thought = sick - (y uat is mit tonkel - est eplicit him)

17:50

~~me~~ Squest

Sister sad! nobody fellome I do things nice - cried then got news getting well mother in hosp. for mrs.

18:18

yu HANDS w/cable!

18:52

m/s + room

possible = ectopic pregnancy -> skilled surgeon - fortunate - had strong constitution - good pers. resources + will to live - brought thru - partial hysterectomy

#

Video

Audio

1:36

c/u

Prachi - kids not visit paren^l
family told - excited re: relief
crowdedness

2:13

Foreboding: had accepted
surrogate family - they're in,
not so Anne - scapegoated
Younger sister escaped Rebecka
aunts/uncles

2:30

told she was going - overjoyed
appeared w/ 2 suitcases
thinner - no wrinkles - imagined
her old - not grey
hair dark - eyes sparkling,
vivacious/happy
puzzled + angry as tho had
hid - couldn't guess
suspected untruth

3:50

in this family pt. of old
family remembered - except
was older + more street
wise by virtue Alex + 102nd
Cw. exper.

4:22

zoom in:
m/l/p

4:52

mother sounded like expect
on hosp

angry w/ father: no planning
for new family home

everything in fact - well
stored: imported (exported)
not prob - even piano in box
of new wed. have put more
pressure on father

6:00

6:30

father there + no longer like
visitor - sat + ate at table
hugged + kissed mother
tussled JD hair

7:08

zoom to m/c/u

father sister to keep quiet
knew would leave - end of
period in life

8:30

m/c/u (I look awful)

Remember - going to house ~~the~~ Mastick - no memory of drive - loved house white frame, root cellar

9:30

pulls out to m/s

loved attic - remember grandma - nervous grandma approachable - tomatoes - cat industrious - feel warm happy grandma put you to work grandpa dark + elusive - although not phys. dark - not unctive even to little kid wanted to like him vice versa

10:58

This is person ≠ comfortable or know well - grandma UPSET, not responsive - father upset - nervous - people ≠ crying, just Grandma

11:49

mother put me in room to sleep curled in bed

12:17

12:59

didn't compute that people died - 1st person in life who died + grandma crying

"dark ray"

Traumatic : sold - place of escape - activities duck farm - breeze - funny

PRODUCTIVE

14:14

- sad → never went back - remember hiding under the bed

Video

audio

15:30

cpu

received telephone call -
mom, Larry etc. in Cape Cod -
holiday - Harold called - terse +
unfriendly - implied some role
of JDD in death

16:46

discovered anger - that 'oldest
of family rep, she felt burdened
by making 1st arrangements -
did a good job - sensible
business

17:49

What did at once - packed com-
bined resources + got into
car + quickly got back to NYC +
out to Long Island

True - you were then plummeted
into environment → funeral at
Grandma's - 14hr. journey -
Slept in car

19:09

cpu

Mary explained what happened -
you kept asking - Larry very
quiet - only know where 1st + how
do funeral - explained
procedures - avoiding each's
tension

20:20

cpu

Mary's reaction in part hated
large family gathering felt odd
man out. - but of all family
Mary closest

21:06

Zoom to m/p/s.

~w/out
at funeral L.I. neighbours - comparison
ship - distance

BORING

<u>#</u>	<u>video</u>	<u>Ch2</u>	<u>audio</u>
1:55	efu		Upset about father's death today - sociological -
1:19	m/cfu.		Obviously still feeling deeply re: death instead of 'expect'
1:39			When got to home - you were very tired - Mary tried to put you in quiet place
2:20	follows shot		father on I did find you under the bed + /you did come crawling out from under like little animal - then turned around + put head on tummy + said wanted to go home -
2:44	pull to m/s		- mother + dad → Labrador dog - Came into house - HUGO - tried to get out - cowering + afraid after funeral you were asleep - good babysitter - held hand Larry + ok - sat staring out window waiting - wanted to know why not taken to funeral dumb of us - thought he was exhausted.
3:51	m/s		burial in N. J. - isolated - felt traumatic, alien sense in whole, weird proceedings
6:07	Zoom to fu		
6:20	m/cfu <u>me</u>		Spent time in S.A. on own learned to fend for self - learned language, Chilean custom - strengthened sense of conviction
7:26	camera drift		Returned purposeful - need for global change met Chris fairly soon before Came back

video

Didn't want to come back

BORING

m/s → drift

BORING

Impenetrable at max
Tourism minimum

Trouble getting in: No 8
Kingston - locked into house
Got back
used to speaking language -
integrated

Suddenly tourist

12:23

- Brought nothing in
- On other side of doors -
if looked at you, search us

m/s.

13:55

- You were there - didn't know how to react
- Overemotional → contact
- already gone -
so dangerous

pretentious
+ patronizing

PRETENTIOUS

16:40

Felt people stood still in time

17:16

Feet comfortable -
rel. w/ Chris - not know
how to relate.
None sufficient
- Alien space - did not present

m/c/u

pretentious
+ patronizing

- We st me credit -
- Not invade
- Couldn't work out - any room
absol. way
- und. Ten + now
- vague re: mcs. buffering
while away - dev. own sense
of words/own facts -
not

21:24

- plan re: next -
- She's always running shotgun!
- felt vulnerable - attempt to be open
vulnerable - to a other

not clear -
could
imel
- Van
great place
except far away

no chicken soup
