

① - getting more info about the political groups that affect us. workshops to learn what's happening with each political group. (C.I.P.C.M.L)

② - cultural as well as political ignorance needs to be overcome (East Indian women)

③ - Take on the issue of the Klan. (People can see, after they take the homosexuals by the hand. The hatred comes here before tea, seniors, lesbians hit before others)

④ - A stop to putdowns and fighting within the women's movement, we need to get together + grow + give one other support. ~~stand~~

⑤ - How they use the two institutions: id's pool, fools - ~~the~~ prisons + mental institutions - to have control over us.

⑥ - ~~Working~~ mothers with children are given shit jobs - Seen & treated like they are dumb - unequal. incapable
- native people or non-English people are taken in + taken advantage of.

⑦ - Workshops or release of anger with society bullshit.

⑧ - Asian mothers - children - security custody

⑨ - support groups. - ~~prison~~ women out of prison
- ~~in~~ sharing - jobs, children - physical survival

⑩ - need for workshops
- support groups. (prison, mental inst, coming out,)
- education - political

⑪ - working around the "hostility" - "fear" "oppression" betw. lesbians - heterosexuals

⑫ - being invisible in group with which you are involved

exploitation in the workplace
